LONDON

Dear Sir,

"PEMBROKESHIRE"

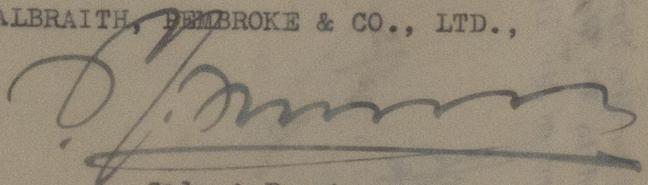

We thank you for your letter of yesterday's date, and are much obliged to you for having dealt so promptly with our application.

Unfortunately, it has not been possible to come to terms with the Japanese buyers, and it would now appear likely that the vessel will be broken up on this side.

We are, dear Sir,

Yours faithfully,

For GALBRAITH, PEMBROKE & CO., LTD.,
