

Am. Trawler "Rightway".

This vessel was posted "Stranded 4-31-Refloats  
in the 1932-33 R.R.

The engines & boilers were subsequently  
taken out of vessel & fitted on board the  
Am. Trawler "Demonst", built by J. Lewis & Sons,  
Aberdeen, in September 1933. As the full  
boiler particulars given in Abn. report  
No. 16469 do not appear on Abn. report  
No. 17484 on the "Demonst", the former report  
has been attached to the papers of that  
vessel, for reference.
