5th October, 1922.

Dear Sirs,

With reference to your first entry report No. 6186 on the Donkey Boiler made at H. M. Dockyard at Devonport for the s.s. "MUREX" recently completed at H. M. Dockyard at Portsmouth, I have to inform you that an account has now been rendered to the Admiralty for the fees and expenses due for the survey during construction of the hull and machinery of this vessel, and on payment your account will be credited with £10:14:3 for the survey of the boiler in question.

I shall therefore be glad if you will kindly see that the necessary entries are now made in your Rough Fee and Debit Books in the usual way.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,

PLYMOUTH.
