# Lloyd's Register of Shipping.

71, Fenchurch Street, E.C. 3.

29th September, 1922.

With reference to the call at this Office of your  
R.C. Knight respecting the S.S. "MUREX", I am directed  
to acquaint you that as the Dockyard Authorities have  
applied two towlines to this vessel, each of the length  
required by the Society's Rules, Table 31, instead of one 5"  
required, they will be accepted in this instance at  
1/2" diameter as desired by the Owners.

The Society's Surveyors at Southampton are being  
advised accordingly.

I am, Sir,

Your obedient Servant,

Assistant to the Secretary.

The Director of Dockyards & Repairs,

Admiralty,

S.W.1.
