Enclosure.

29th September, 1922.

Dear Sirs,

I enclose herewith for your information and guidance a copy of a letter which has today been addressed to the Director of Dockyards & Repairs, Admiralty, respecting the S.S. "MUREX", from which you will observe that the two 120 fathom lengths of 4½" steel towline which have been supplied instead of one 120 fathoms length of 5" have been approved in this instance, as desired by the Owners.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,

SOUTHAMPTON.
