10th November, 1933.

Dear Sirs,

With reference to the 2nd Special Survey No.1 which became due at the end of March 1931 on the steamer "PIPIRIKI", which vessel has been laid up at Truro under the usual undertaking, I have to acquaint you that in view of the satisfactory general examination held by the Society's Surveyors at Falmouth, the Committee have agreed to this vessel proceeding in ballast or with a non-perishable cargo to Italy to be broken up.

In the circumstances I shall be glad if you will give the case attention and advise me immediately the work of demolition has been commenced.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

GENOA.
