11th March, 1921.

Dear Sirs,

In reply to the enquiry contained in your letter of the 8th instant respecting the fees to be charged for the classification survey held on the ex-German Steamer "LIPPE" now named "TRESITHNEY", I have to acquaint you that you should render an account to the Owners for an inclusive fee of £150 as suggested by you, £100 being allocated to the Hull Survey and £50 to the Machinery.

I should add that the plans of this vessel will be returned to you as required as soon as your reports have received the consideration of the Committee.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

NEWCASTLE-ON-TYNE.

Secretary.
