

Lloyd's Register of British & Foreign Shipping,

Collingwood Buildings, Newcastle-on-Tyne.

10th September 1910

LLOYDS REGISTER,
LONDON.

REC'D 12 SEP 1910

ANS'D

The Secretary
London.

Sir.

S. S. Marengo

Therewith beg to forward Midships Section
of the above vessel, brought up to date, which I had
previously obtained, but which was inadvertently
omitted when the plans were forwarded with the
report.

Also beg to state the vessel was fitted with
6 x 2 White Pine Cargo battens, and also that the
size of Vertical Stiffeners on Collision Bulkhead as
fitted are 10 x 3½ x 64 Bull Angles.

Regretting the omissions

I am

Sir

Your obedient Servant
Aled. Munn
