Dear Sirs,

No. 171 s.s.

With further reference to your favour of the 25th inst., and ours of same date re obtaining Owners consent for steel wire in this vessel we beg to inform you that we have the Owners consent inasmuch as they have signed the specification with steel wire specified and presume this will put the matter in order. If necessary your Surveyor can verify above the next time he is down at our Yard.

Yours faithfully,

For THE NORTHUMBERLAND SHIPBUILDING CO. LTD.
