16th January, 1913.

Dear Sirs,

I have today received your letter of the 14th instant, in which you are good enough to furnish me with particulars of the cases to which Lord Munburnholme referred at a recent Meeting of the General Committee of this Society, and I am directed to thank you for your kind attention.

As regards the case of the S.S. "MARENGO", arrangements are being made for the steamer to be surveyed by Mr. W. L. Gilmour, the Society's Principal Surveyor at Middlesbrough, and Mr. A. B. Wilson, the Principal Surveyor at Hull, while she is in dry dock, and I telegraphed to you this afternoon as follows:-

"Referring your letter fourteenth, will you kindly wire when 'MARENGO' will be available for examination in dry dock",

which I now confirm.

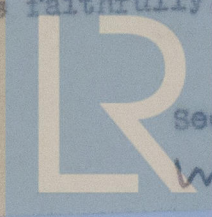

I am, Dear Sirs,
Yours faithfully,

Thos. Wilson, Sons & Co., Ltd.,
Val Architect's Department,
