The Secretary,

LONDON.

11229. BERENGARIA".

Sir,

With reference to your classing letter of 23rd, concerning the above vesse, I beg to inform you that the double bottom tanks in No.4 carry fresh water. This is for washing water only.

As regards the draining of fore peak and deep tank plats, I am under the impression that hat box suctions are fitted, but this will be verified on vessels arrival this week.

I am, Dear Sir,

Yours faithfully,
