Dear Sirs,

With reference to your reports No. 75474 on the Q.S.S. "BERENGARIA", I shall be glad if you will be good enough to state whether the plating in way of the sidelights has been examined as required, and whether, in your opinion, when the survey is completed as stated in your report, the notation of S.S.No. 3 might be assigned.

At the same time I have to inform you that the particulars of the markings of the anchors and chain cables stated to have been enclosed with your report do not appear to have come to hand, and I shall be glad if you will forward the same.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

NEWCASTLE.
