

Chief Ship Surveyor

Received from Chief Ship Surveyor

NAME Stl. S/S "Q. S. S. "BEPENGARIA" Rpt. Nwg. No. 75474

Remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement.—Extract from Sub-Committee's Report, 24/5/92.)

Survey

This vessel is now at Southampton for completion of the Survey for classification.

It is submitted the Southampton Surveyors be advised.

To complete the Survey see report.

It is further submitted the Newcastle Surveyors be requested to state whether, ~~in their opinion~~, the plating in way of the side-lights has been examined as required, <sup>whether, in their opinion,</sup> and when the Survey is completed as stated in their report, the Notation of S.S. No. 3 might be assigned. They should also be informed that the particulars of the markings of the anchors and chain cables stated to have been enclosed with their report do not appear to have been received, and they should be requested to forward same.
