Dear Mr White,

With reference to your letter of the 14th instant respecting the S.S." IMPERATOR " I have today again laid the Liverpool report No.81990 before the Sub-Committee of Classification and the notation "Liv 2-21 etc " has been assigned.

As no record has appeared in the Society's Register Book of the vessel being classed in Germanischer Lloyd since she was built the case was dealt with in the usual way.

With kind regards,

Yours faithfully,

C.H.S.White, Esq.
