Dear Mr Clark,

I am in receipt of yours of the 12th instant in further reference to the case of the S.S. "Imperator", and with regard to the concluding paragraph of your letter, I may say that you are not correct in stating that this vessel has never been classed in any Register Book, as on referring to the current edition of the Germanischer Lloyd she is found to be classed, both hull and machinery as follows:-

100 (E) & M.C.
4.19.

In these circumstances, I return Liverpool reports 81900 herewith in order that you may deal with the matter as you think best. Kindly return them to me with your reply in due course.

With kind regards,

Yours faithfully,

W.L. Clark, Esq.,
Liverpool.
