QUESTION.	ANSWER.
<p>With reference to your memorandum of the 12th November last, I will be glad to learn how this case stands.</p> <p>At the same time I think I will point out that a complete survey of the boilers has again become due.</p> <p><i>[Signature]</i></p>	<p>Date:— <i>18 April. 1929</i></p> <p><i>On calling aboard today we were informed that no instructions had been received from the Owners to grant us facilities to survey the Boilers, one of which is now in use. It is understood that the vessel is expected to continue in her present service as a storage depot for Molasses until the end of June and that it is anticipated that she will then be disposed of to be broken up.</i></p> <p><i>[Signature]</i></p>
