11th August, 1928.

The Secretary,
Messrs. Lloyd's Register of Shipping,
71, Fenchurch Street,
E.C. 3.

Dear Sir,

S.S. "Manx Isles."

We have your favour of yesterday's date.

The above vessel is now lying at Havre, but in all probability it will be some considerable time before the discharge of cargo is completed. In fact the discharge may be prolonged for several months.

Before the vessel again leaves Havre it is our intention to dry dock her for further survey for the purpose of calling in tenders for repairs.

We will not fail to give you ample notice of the time we expect to place the vessel in dry dock.

Boiler Survey. We hope to be able to complete this survey in the course of the next week or so.

Yours faithfully,
THE BRITISH MOLASSES COMPANY LTD.

George S. Hopley
Director.

GSH/RBD.

Referred to Mr. S. A. Hill.
