Lloyd's Register of Shipping.

Port

New Orleans, La.

June 26th, 1928

This is to Certify that I have

Surveyed the

Steel Screw Steamer "MAHX ISLES" 2642 tons gross

register of Liverpool, on dry dock at this port on account of

damage stated to have been sustained by vessel grounding

and that I have transmitted to the Committee of Lloyd's

Register of Shipping, London, a Report, stating that all repairs

recommended by me have been completed to my satisfaction, and

that I have Recommended that she be continued as classed

subject to damaged bottom plating, floors, etc, being re-

paired on vessel's arrival in the U.K. At the termination of

her present voyage via Cuba, being fit to carry

molasses in bulk.

Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committee use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Committee nor the Society are under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default, or negligence of the Surveyors, or other Officers or Agents of the Society."
