23rd February, 1918.

Dear Sir,

With reference to Liverpool Report No. 75835 on the Steamer "MANX ISLES". I have to acquaint you that I am informed by the Grimsby Surveyors that owing to the dry dock being occupied by another vessel, the screw shaft could not be drawn in for inspection. They were informed however by the Superintendent that he had been in communication with you with a view to the limit on the screw shaft liner being extended. I shall therefore be glad to learn what arrangements have been made in the matter.

I am, Dear Sir,

Yours faithfully,

Secretary.

The Secretary,

LIVERPOOL.
