Messrs. Lloyd's Register of Shipping,

TOWER BUILDINGS,

LIVERPOOL.

Dear Sirs,

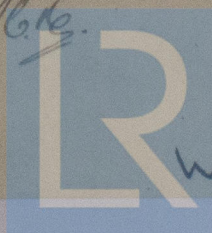

H.M.O.T. "MANX ISLES".

Referring to our conversation of this morning regarding the above Vessel's tailshaft, we beg to advise that owing to Admiralty pressure we were only allowed to remain in Drydock at Grimsby for a few hours, so that we were unable to draw it in for inspection, seeing the vessel is now a Depot ship at "Invergordon", and likely to be there for sometime, we shall be glad if you will grant us an extension of twelve months, or next time the vessel drydocks.

Yours faithfully,

per pro. THOS. T. KENNAUGH.

T.C.K.
