Messrs, FURNESS, WITHY, & CO., LTD.

WEST HARTLEPOOL.

Dear Sirs,

s.s. "Competitor"

Referring to our telephonic conversation of this morning we beg to inform you that the omission of the intermediate steel Bulkhead between No's 3 & 4 Holds in this steamer was made at our request in order to facilitate the stowage of lengthy timber.

As you are aware a moveable wood bulkhead has been erected.

Yours truly,

FOR THE ESKSIDE STEAM SHIPPING
