 Survey Due 2nd Special Survey No. 3 due January, 1932.

A proposal to carry out the above survey within the year of grace was agreed to by the Committee after the vessel had been generally examined at Antwerp in March last.

The Owners now write as follows, viz:-

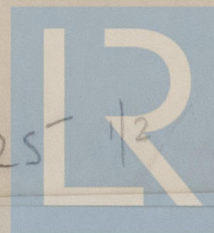

"We have your permission to carry out the Second No. 3 survey of above steamer sometime within the year of grace which expires at the end of next month. We shall, however, be very much obliged if the Committee will allow the survey to be postponed until the vessel's return to this Country from her contemplated voyage to Alexandria. She is at present at Leith and it is anticipated she will leave that port for Alexandria early next month,
