Dear Sir,

s/s "PRAHSU".

We have your permission to carry out the the second No. 3. survey of above steamer sometime within the year of Grace, which expires at the end of next month.

We shall, however, be very much obliged if the Committee will allow the survey to be postponed until the vessel's return to this country from her contemplated voyage to Alexandria.

She is at present at Leith and it is anticipated she will leave that port for Alexandria early next month, returning about the end of February.

We may mention the vessel was generally examined in Antwerp in March last.

We trust that in these hard times the Committee will see their way clear to grant us this application.

Thanking you in anticipation, we remain.

Yours faithfully,

For & on behalf of
ANGLO MARITIME SHIPPING LTD.,
