10th November, 1933.

Dear Sirs,

With reference to the 2nd Special Survey No.1 which became due at the end of July 1930 and has been partly held on the steamer "PAKIPAKI", which vessel has been laid up at Truro, I have to acquaint you that in view of the general examination held by the Society's Surveyors at Falmouth, the Committee have agreed to this vessel proceeding in ballast or with a non-perishable cargo to Italy to be broken up.

In the circumstances I shall be glad if you will give the case attention and advise me immediately the work of demolition has been commenced.

I am, Dear Sirs,

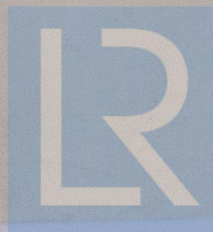

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,

GENOA.
