

2m.9.20

COPY.

5th July, 1921.

Dear Mr. Lowdon,

With reference to your call here to-day regarding the classification certificates for the steamer "TREWINHARD", I have looked personally into the matter, and find that owing to some misunderstanding the certificates have not yet been issued, but I have arranged for them to be at once written and forwarded to the Owners as early as possible tomorrow.

I trust that no inconvenience has been caused.

I may add in reply to your enquiry that the only outstanding matter against the steamer seems to be that some slightly indented shell plating requires to be dealt with at the Owners' convenience.

Yours faithfully,

J.L. Lowdon, Esq., M.I.N.A.,
Victoria Buildings,
Bute Docks,
CARDIFF.
