Londra

Ufficio comune

*Trieste*, August 6th, 1921.

Via della Borsa N.º 2.

R,

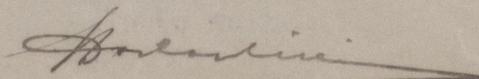

With reference to the First Entry Report No. 5135  
No. "HANIN", Messrs Cantieri Navali ed Acciaierie  
No. 1, we are at present in the position to give  
correct figures for the gross and under deck tonnage,  
573.90 and 4488.18 tons.-

It appears that the difference of opinion has arisen  
between the owners and the local authorities as to the deductions  
allowed in this case, and, until this point is satisfactorily  
settled, no other figures can be given.

We are keeping in touch with the owners and as soon as  
a certificate is issued, full particulars will be forwarded.

I am, Dear Sir,

Yours faithfully,

Secretary,

TRIESTE.
