71, Fenchurch Street, E.C. 3.

13th February, 1922.

Dear Sirs,

With reference to the classification in the Society's Register Book of the steamer "MANIN", I have to acquaint you that this vessel retains her class subject to the seatings of the auxiliary boiler, which in the first instance were secured by bolts, being riveted, and as the vessel would appear to have arrived at Venice on the 29th ultimo I shall be glad to learn whether this matter is now receiving the necessary attention.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

TRIESTE.
