Lloyd's Register of British & Foreign Shipping,
6, Minami-Yamate,

NAGASAKI, 10th September,
1907.

Sirs,

S.S. "TENYO MARU" No. 190, with reference to the Chain Cables
supplied to the above vessel, I notice in checking them with the
certificates that there is a discrepancy of about $5 \frac{1}{2}$ Cwt from the
requirements,

	cwts	qrs	lbs.
certificate weight =	1372	2	3.
actual weight -----	1378	0	0.

I return herewith the 2 Certificates of Chains and shall
be glad to hear from you regarding same.

I am, Sirs,

You very truly,

G.D. Aitken
