5th June, 1931.

Dear Sirs,

S.

I duly received your letter of the 4th instant from which I note you are informed through the Owners' Agents that the steamer "ANDROMEDA" has been sold for breaking-up purposes to Messrs. N.V. "Holland" Scheepwerf & Machinehandel, Hendrik-Ido-Ambacht.

I shall be glad to learn, however, in the event of demolition operations not having yet commenced, when it is expected the work will be taken in hand.

I am, Dear Sirs,
Yours faithfully,

pro Secretary.

The Surveyors,
ROTTERDAM.
