Enclosure.

20th May, 1931.

Dear Sirs,

8. With reference to my letter of the 12th instant and to previous correspondence respecting the steamer "ANDROMEDA" ex "HUNTRESS", I have to inform you that in reply to the letter which was addressed to Messrs. Rethymnis & Kulukundis, Ltd., of this City, referred to therein, they state that on instructions from the Owners they have suspended the opening and cleaning up of the steamer which is now laid up at Rotterdam awaiting developments. In these circumstances a further letter has today been addressed to them on the subject, of which I enclose a copy for your information.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

ROTTERDAM.
