LLOYD'S REGISTER  
LONDON  
9 MAY 1914

Collingwood Buildings, Newcastle-on-Tyne.

8th May, 1914.

Sir,

I beg to acknowledge the receipt of your letter of the 7th instant, forwarding the Certificates of Classification for the S.S. "FRISIA". The certificates have been duly handed to the Builders, with the consent of the Engineers, who express their thanks for the prompt receipt of same.

I may state that the report on this vessel was handed to the Builders for signature on the 24th ultimo, and although repeated requests were made for its return it was not received until the afternoon of the 6th instant, when it was at once despatched to London.

On the following day the Builders paid the fee and urgently requested that the certificates might be in their hands early to-day, and arranged to send a special messenger for them.

I am, Sir,

Your obedient Servant,

*Alex. Munro*

The Secretary,

LONDON.
