Dear Sir,

~~S.S. "HUNTRESS"~~

We have already informed you to-day of our decision to effect the necessary repairs to render the above steamer eligible to retain her 100 A.I. Class and the object of writing you further is to let you know how gratified we are by the Committee's Decision to defer action.

We very much regret the misunderstanding regarding the arrival of the Surveyor's Report. We were under the impression that this ship was inspected by the Durban Surveyor before we actually bought her in August last, and she was offered for sale by the late owners with the conditions mentioned in the Seaworthiness Certificate and the Report was forwarded to you long ago. We beg to apologise for the remarks in our letters about delay etc. We were deceived by appearances, and we had not taken into consideration the delay in transit.

Thanking you again for your valuable assistance in the matter,

We remain,
Yours faithfully,
RETHYMNIS & KULUKUNDIS, Ltd.,
