The Committee of Lloyd's Register of Shipping,  
E.C.

Dear Sirs,

s.s. "HUNTRESS".

On behalf of the Société Générale pour le Commerce de  
Produits Industriels, Brussels, I chartered this steamer on the 6th October for  
a voyage from Marmagosa to Antwerp, Calais or Dunkirk, to be loaded in December  
next, the steamer being described in the Charter as "classed 100 A.L. Lloyds".  
On my Principals endeavouring to cover the insurance of their Manganese at Lloyds,  
they have been informed that the Underwriters have received information concerning  
the vessel which makes it impossible for them to quote, in consequence of which  
the cargo is uninsurable.

I shall be glad if you can inform me whether the steamer  
still holds her classification of 100 A.L. at Lloyds, and also any other information  
which you are able to give me, as to why the Underwriters decline to insure cargo  
on this boat.

Thanking you in anticipation for your prompt attention to  
this matter, I am,

Yours faithfully,  
W. M. SHYVERS
