Dear Sir,

### S.S. "HUNTRESS"

Referring to our recent call upon you when you advised us of receipt of cable dated the 23rd instant from the Surveyor at Durban, containing Owners' request that we, described as prospective chasers, should be given full particulars regarding this vessel.

We are now in receipt of a cable from our Johannesburg respondents containing a message from Owners reading as follows:-

"HUNTRESS" - Regret Lloyd's Surveyor Durban states cannot grant worthy certificate for perishable cargo (stop). Buyers might perhaps be able to make suitable arrangements with Lloyds London".

In this it is evident that the Owners wish that the actual prospective chasers should get into touch with your goodselves. The prospective chasers with whom we are negotiating are Messrs. Rethymnis & Kulukundis

W582-0280 1/2

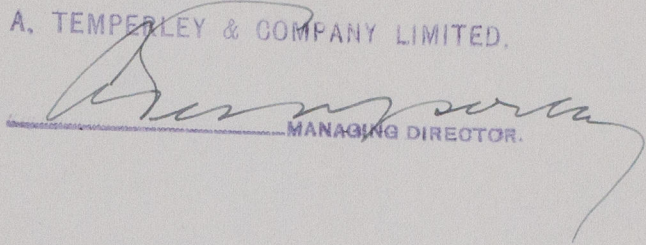

29/7/30.

and we <sup>shall</sup>~~would~~ be much obliged if in compliance with the Owners' you will grant them facilities to see for themselves full particulars regarding this vessel.

Yours faithfully,

A. TEMPERLEY &amp; COMPANY LIMITED.

  
MANAGING DIRECTOR.
