HOVAGIMIAN HAN, Nos 27-28, GALATA,

Istanbul, June 16th 1931

M. McLAREN

SENIOR ENGINEER SURVEYOR.

POSTAL ADDRESS:

GALATA, POSTA KUTUSU 187.

Sir,

I herewith enclose my survey report on the S/S "ANDREAS K" also a detailed specification of damage repairs, which I trust you will find in order.

I may say that the vessel is now lying afloat in the Golden-Horn, in a damaged condition; part temporary repairs were effected whilst in dry dock by caulking bottom plating; and she is now offered in the local papers for sale, by Lloyd's Agents, representing the Insurance Co. and owners.

You will see from my reports that I have recommended certain temporary repairs to be carried out before she leaves this port, and will keep this matter before me and will cable you should they decide to get her away as she is, without completing the temporary repairs.

I am Sir,

Your obedient servant,

The Secretary,
Lloyd's Register
London. E.C.3.
