15 Warwickshire
I beg to report that a 15 fathom length
of 2 1/2" Stud link Chain Cable (Certificate N^o 31175)
from above Vessel, has been presented here for
retesting; and as same has satisfactorily with-
stood all testing operations I have issued a new
Statutory Certificate N^o 9266 for the length, which is
now certified as 2 8 diameter;

I have also endorsed on the original Certificate (No 31175) the usual statement, that "15 fathoms of this cable has been retested as $2\frac{3}{8}$ ", and a new Certificate No 2266 issued."

I am Sir

Your obedient servant
