ENCLOSURE.

2nd March, 1920.

Dear Sirs,

I have to acknowledge the receipt of your letter of the 26th ultimo, requesting to be furnished with a report on the damaged L. P. Crank shaft of the s.s. "WARWICKSHIRE", which was recommended to be renewed on the occasion of the vessel being under survey at this port in January last, and have now the pleasure to hand you herewith the report which has been prepared by the Surveyor who carried out the survey.

The fee of £5: 3: 0 entered thereon has already been received from you, the account having been rendered on the 9th January last.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

Messrs. Bibby Brothers & Co.,
