ATLANTIC MARU Kobe Rpt.No.3077.

Dear Sir,

Replying to your classification letter dated 11th March 1921 I have to state that Web frames, are fitted in tween decks, as approved in the sister vessels.

Owing to an extra rush of work during December and January I regret that delay occurred in completing these two reports.

I am, Dear Sir,

Yours faithfully,

A Watt

The Secretary,
LONDON.
