LONDON

Dear Sir,,

s.s. "AKROPOLIS" ex "Alpine Range".

We thank you for your letter of yesterday enclosing fresh Freeboard Certificate in duplicate for the above vessel, made out in her new name.

The steamer sailed for Rotterdam this-morning and we regret we were unable to exchange the new Certificates for the old ones before she left. We are, however, communicating with the Owner at Rotterdam and will let you have the old certificates as soon as they come into our possession.

Yours faithfully,

P. WIGHAM- RICHARDSON & CO. LTD.,

A. Lusi, perky.
Director.
