Dear Sirs,

I beg to acknowledge the receipt of your letter of the 8th instant respecting the steamer "NORDEEN" from which it is noted that this vessel is laid up at Hamburg and that the Boiler and Screw Shaft Surveys will be held before she is again placed in commission, and in reply I have to say that, in the circumstances, the Committee who had the case before them at their meeting today, are agreeable to the inspections in question being postponed for the present.

I am, Dear Sirs,

Yours faithfully,
