The Secretary,
Lloyd's Register of Shipping,
LONDON, E.C.3.

Dear Sir,

s. s. "PANCRAS".

We beg to inform you that the above-named vessel, to which you granted Certificates of Seaworthiness for a voyage from London to Rotterdam, thence to Italy with a cargo of coals, is now being transferred to the Italian Flag.

The Italian Captain has submitted the Certificates of Seaworthiness to the Italian Consul, who, however, has informed him that owing to new regulations, the Surveyors who surveyed the vessel are required to sign a Consular Form of Survey at their offices, 64, Portland Place, W.1. We understand that if the Surveyors who already have surveyed her are not available, it will be necessary for ^{independent} new Surveyors to be appointed, and to make another Survey.

In order to avoid the delay and the cost which this additional Survey would cause, we should be obliged if you could arrange for your Surveyors to attend at the Offices of the Italian Consulate at your earliest convenience, and let us have an account for your charges and Surveyors' expenses in connection with this formality.

Thanking you in anticipation,

We are,

Yours faithfully,

FOR H. E. MOSS & CO.,
