Seaworthiness Certificate.

With reference to our recommendations of the 3rd inst. regarding the steamer "BALTABOR", we beg to certify herewith that all the recommendations made by us with exception of point 8 (crew) have been carried out to our entire satisfaction to enable the vessel to be towed from Tallinn to Danzig.

Six men must be on board when the vessel starts on her voyage.

(say 500/600 miles)

Tallinn, 6th Oct. 1931.
