QUESTION.

ANSWER.

With reference to previous correspondence respecting the above vessel, which was and towed refloated/to Tallinn after having been ashore at Margen Island.

I shall be glad if you will be good enough to let me know if the vessel is being repaired for seagoing purposes. If not, please say what it is proposed to do with her.

This vessel has been temporarily repaired and is still lying here. She is now owned by the Baltic Salvage Association who propose to sell her as she is. What the future Owners will do with her is not known.
