31st March, 1930.

Dear Sirs,

I have to inform you that a request has been received from the Owners of the steamer "BALTABOR", which has been ashore on Nargen Island in the Baltic since last December and has been refloated, for Mr. J. S. Butler to proceed to Reval to examine the vessel in dry dock with a view to making the necessary recommendations regarding the repairs required to restore her class.

This request has been acceded to by the Committee, and you will therefore be good enough to arrange for Mr. Butler to proceed to Tallinn as desired.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,
LONDON.
