The Secretary,

L o n d o n.

Dear Sir,

I beg to acknowledge receipt of your letter of March 11th relative to the L.P. connecting rod of the Steamer "British Fern".

In this connection I have been shown by the local Superintendent for the British Tanker Co. a copy of a certificate issued by Mr. A. MacGillivray at Basrah on April 13th last.

This certificate stated that the new L.P. rod had been examined and fitted to his satisfaction and I would be glad to know whether any further examination is required.

I am, Dear Sir,

Yours faithfully,

*H. P. Southwell*
