

CERTIFICATE No. 25.

Basrah, 13th April 1931.

I, A. MacGillivray, 1st Class Board of Trade Engineer, having on the 6th day of April 1931 been requested by The Mesopotamia Persia Corporation, Ltd., LLOYD'S AGENTS FOR THE PORT OF BASRAH, to survey and report upon the New L. P. Connecting Rod for the Steel Screw Steamship "BRITISH FERN"

HUMBLY CERTIFY

That I boarded this vessel, as she lay moored in the river off Abadan on the 7th day of April 1931.

That I examined the new L.P. Connecting Rod which was found with the following marks:-

LLOYDS 200

D. B. W.

24/1/31.

J. D.

J. D.

The rod was subsequently connected up in position, and appeared in all respects satisfactory.

A. MacGillivray
SURVEYOR APPOINTED BY LLOYD'S AGENTS.
