Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

1st May, 1934.

Dear Sir,

S. I duly received your letter of the 28th ultimo forwarding the amended Interim Certificates and the reports in connexion with the recent examination of the steamer "PARDO", and with regard thereto I may say that the case has been before the Committee at their meeting today, when action was deferred, to admit of the vessel proceeding to a port in Italy with a cargo of coal to be broken up.

The Genoa Surveyors are being requested to inform this Office when the work of demolition has been commenced.

I am, Dear Sir,

Yours faithfully,

Clerk to the  
Classification Committee.

The Secretary,

LIVERPOOL.
