Dairen, May 10th, 1934.

ER SURVEYOR.

Dear Sir,

In reply to your classification letter of March 27th, re S/S "RYUHO MARU", I have to say that two lengths of cable chain were supplied to the vessel early last year, but the certificates for same were not endorsed; a further eleven lengths were supplied at last docking as mentioned in my Report No. 4866.

The Anchors in question were supplied owing to the fact that two Anchors were lost, one at Christmas Island, 4th June 1932, and the other at Newchwang in July 26th, 1933.

I am, Dear Sir,

Yours faithfully,

The Secretary,  
London.
