Dear Mr. Mayne:-

S.S. "SWIFTEAGLE" - PORTLAND RPT. 632.

checked

With reference to the inquiry contained in your semi-official letter of the 30th June - I am forwarding herewith a letter received from Mr. Lang regarding the various scantlings referred to.

As regards the fees for electric light installation, Mr. Lang regrets that this matter has been overlooked in the case of all vessels built under his survey. He states that as the shipyards concerned are now out of business, and there has already been controversy over the increased building fees, he is of opinion that it is now impossible to collect electric light fees, but I am having further correspondence with him on this subject.

Yours faithfully,

F. A. Mayne
