The Secretary,

Dear Sir.

ss "Pentrent"

Further to our earlier letter this morning, when we advised you that this steamer had been sold, the Contract stipulates that permission of Lloyds must be obtained "for a voyage loaded with coals or in ballast (at Buyers Option) under her own steam to an Italian Port."

As advised you the vessel is to be broken up in Italy.

Yours faithfully.  
For and on behalf of

THE PENTWYN STEAMSHIP COMPANY LTD.

Secretary.
